

**This coloring book page is based on a mural by Napa artist Trevor Linder that will be installed in the Rail Arts District near Industrial Road.**

This is the first time Trevor Linder will create a mural in the public realm. He is a graduate of Justin Sienna High School in Napa and is currently a free-lance concept artist in the entertainment industry.

Established in 2016, the Rail Arts District Napa (RAD) enriches the community through investment in and stewardship of a new public art district in the City of Napa. RAD starts at the Oxbow District and follows the Napa Valley Vine Trail north to where the Vine Trail crosses Trancus / Redwood Road. Dozens of works of art are located on this 2-mile linear pathway.
